

228 COMMANDER

The 228 Commander is the perfect vessel to get your family fishing on the water. The pressurized aquarium livewell, bow casting platform, removable premium cooler, molded in rod storage, dip net storage and the roomy insulated aft fishbox will check all the angler's boxes. Your family's comfort is well considered when headed to the sandbar. Aft and forward facing bow seating, an easily accessible head, awesome stereo, and storage throughout will ensure everyone has an enjoyable time on the water.
